CURRICULUM VITAE

G. Edward Schuh

14 "The Future of Land Grant Universities: Implications for Departments of Agricultural Economics," G. Edward Schuh, Keynote Address, First National Workshop for Agricultural Economics Department Chairs, Proceedings, Edited by James Nielson, Cooperative State Research Service, U.S. Department of Agriculture, Washington, DC, January 1992.

"The Theory, Empirical Evidence, and Debates on Agricultural Development Issues in Latin America: A Selective Survey," Part III (10 chapters; 424 pages), in Agriculture in Economic Development, 1940s to 1990s, edited by Lee R. Martin, Volume 4 of A Survey of Agricultural Economics Literature, commissioned by the American Agricultural Economics Association, 1992.

14 "Agricultural Research in an International Policy Context," G. Edward Schuh and George W. Norton. Agricultural Research Policy: International Policy Perspectives, edited by Philip G. Pardey, Johannes Roseboom, and Jack R. Anderson, Cambridge University Press, Cambridge, 1991, pp. 51-80.

14 "Methods Used in Transferring Technology from the Laboratory to the Producer: Economic Considerations," in Biotic Stress of Barley in Arid and Semi-Arid Environments, Proceedings of a Symposium, July 31-August 2, 1990, Montana State University.

"Social, Economic, and Policy Issues in Dryland Agriculture," in Challenges in Dryland Agriculture: A Global Perspective, Proceedings of the International Conference on Dryland Farming, Amarillo/Bushland, Texas, August 15-19, 1988 (published in 1990).

"The European Community: Looking Towards 1992," in The Technical Challenges and Opportunities of United Europe, edited by Michael S. Steinberg, Printer Publishers, London, 1990.

"Producción Sostenada, Zonas Marginales, e Investigación Agropecuario," in Retos Para La Investigación y la Extensión Agropecuarios en América Latina y el Caribe. Memorias del Seminario, 29 de agosto - 1 de septiembre de 1989, Ascochinga, Córdoba Argentina, published June, 1990, IICA, San José, Costa Rica.

"Global Factors Affecting U.S. Agribusiness Markets in the Next Decade," Proceedings, Looking Into the 1990s, Agribusiness Conference, Leavey School of Business and Administration, Santa Clara University, Santa Clara, CA, 1990, pp. 8-17.

"Trends in the International Economy and Markets: Implications for Agroindustrial Development," in Policies for Agroindustrial Development in Latin America and the Caribbean, IICA, San José, Costa Rica, September 1990, pp. 79-90.

14 "Technical Change: Sources of Income and Agricultural Production in Developing Countries," in Technology and Agricultural Policy, Proceedings of a Symposium, Board

CURRICULUM VITAE

G. Edward Schuh

on Agriculture, National Research Council, National Academy Press, Washington, DC, 1990.

“Agricultural Policies for Climate Changes Induced by Greenhouse Gases.” In The Potential Effects of Global Climate Change on the United States, J.B. Smith and D.A. Tirpak, (eds.), Environmental Protection Agency, Washington, DC EPA-230-05-89-053, 1989, pp. 13-1 to 13-14.

“Impact of the International Macro Climate on the World Food Situation,” in Food, Policy, and Politics: A Perspective on Agriculture and Development, edited by George Horwich and Gerald J. Lynch, Westview Special Studies in Agriculture Science and Policy, Westview Press, Boulder, Colorado, 1989, pp. 11-20.

“The Rationale for International Agricultural Education for the 21st Century,” in Educating for a Global Perspective: International Agricultural Curricula for 2005, The North Central Region Curricular Committee Project, published by the University of Wisconsin-Madison, 1989.

“Investment in Human Capital: Public and Private Responsibility,” in Ecological Decision - Making for the Future: Interdependence of Public and Private Spheres, edited by Mary Grace and Margaret Bubolz, Proceedings of the Second Beatrice Paolussi Symposium, Michigan State University, January 19-21, 1989.

“Exchange Rates and Pricing: Impacts on National Economies, Food Consumption, and Agriculture,” Proceedings, 1988 World Food Conference, Volume II, Issues Papers, edited by John W. Helmuth and Stanley R. Johnson, Iowa State University Press, Ames, 1989, pp. 77-89.

“Reactions to Part II,” Proceedings, 1988 World Food Conference, Volume I, Policy Addresses, edited by John W. Helmuth and Stanley R. Johnson, Iowa State University Press, Ames, 1989, pp. 91-93.

“Macro Linkages and Agriculture: The United States Experience,” in Agriculture and Governments in an Interdependent World, edited by Allen Maunder and Alberto Valdés, Dartmouth Publishing Company, 1989.

“Understanding Our Global Competition in Agriculture: Are We Meeting the Challenge?” in Council of Administrative Heads of Agriculture: North Central Administrative Symposium, Proceedings, Kansas Agricultural Experiment Station, Manhattan, KS, 1989.

14 “The Role of Agricultural Research in the World Economy,” in The Next Century, Proceedings of the Hatch Act Centennial Symposium, Cornell University, May 4-5, 1987, Cornell University and New York State Agricultural Experiment Stations, Ithaca, New York, 1989.

CURRICULUM VITAE

G. Edward Schuh

“Global Factors Affecting U.S. Markets in the Next Decade,” in Positioning Agriculture for the 1990s: A New Decade of Change, Proceedings of a Symposium sponsored by The Agribusiness Council of the Chamber of Commerce of Greater Kansas City and the Food and Agriculture Committee of the National Planning Association, National Planning Association, Washington, DC, 1989.

17 “Research Policy Implications of Global Food Surpluses for Developing Countries,” in The Changing Dynamics of Global Agriculture, edited by Emil Javier and Ulf Renborg, DSE/ZEL, Feldafing, Germany, 1989.

CURRICULUM VITAE

G. Edward Schuh

invited paper for the Western Farm Economics Association and was published as a journal article in Journal of Western Farm Economics, 1963.)

D. SELECTED JOURNAL ARTICLES, TECHNICAL BULLETINS, AND OTHER SIGNIFICANT PAPERS

“The Challenges of an Interdependent World Economy: International Trade and the Local Economy,” paper presented at the Associated Press Managing Editors International Coverage Seminar, Kansas City, MO, October 12-13, 2003.

“The WTO and Agricultural Trade: Issues for Latin America,” paper presented at the Annual Meeting of the American Agricultural Economics Association, Symposium on Developing Countries in the Current WTO Negotiations,” Montreal, Quebec, Canada, July 27-30, 2003.

“Policy and Economic Issues in Dealing with Global Warming,” paper presented at Workshop on Climate Change, Carbon Dynamics, and World Food Security,” Ohio State University, Columbus, OH, June 10-11, 2003.

“Agriculture and Rural Development in the Policy Mainstream,” paper presented at the Mexican Action Summit on Poverty, Agriculture, and Biodiversity: A Call to Action,” organized by the Monterrey Bridge Coalition, Mexico City, Mexico, June 2-3, 2003.

“Key Developed/Developing Country Issues Influencing the WTO and NAFTA Negotiations,” paper presented at Conference on Agricultural Competitiveness and World Trade Liberalization: Implications for the WTO and FTAA, sponsored by the Center for Agricultural Policy and Trade Studies, North Dakota State University, and the Farm Foundation, Fargo, ND, May 29-30, 2003.

“National Security, Economic Security, and the Fulbright Program,” keynote address presented at the Minnesota Chapter of the Fulbright Association, “The World in Crisis:

CURRICULUM VITAE

G. Edward Schuh

Responding in the Fulbright Tradition," Concordia University, St. Paul, MN, April 12, 2003.

"Globalization, Governance, and Policy Reform," in ASHWATTHA, the quarterly journal of YASHADA, published by Yeshwantrao Chavan Academy of Development Administration, Pune, India. Vol. 2, No. 4, October-December 2002.

"Comments On Some Principles Of Policy," A Contribution To The Gyeongbuk World Agri-Culture Forum, 2002, Gyeongbuk, South Korea, October 18, 2002.

"Globalization Of Agriculture Under WTO and the Future of Agriculture," Keynote Address, Presented At Gyeongbuk World Agriculture Forum 2002, Under The Theme 'A New Look At Agricultural Diversity,' October 16-19, 2002, Gyeongju, South Korea.

15 "Can Lagging Countries Catch Up?" Presented as the Simon Brand Lecture at the 40th Annual Conference of the Agricultural Economics Association of South Africa, held in Bloemfontein, South Africa, September 18, 2002, "Rural Development And Competitiveness: Rethinking Strategies In A Global Economy."

"Globalization And Rural Development," Presented at Conference on Rural Community Vitality in a Global Economy, September 13-14, 2002, Humphrey Institute Of Public Affairs, University Of Minnesota, Minneapolis.

"Perspectives on Global Agriculture: Production and Trade," Presented at Midwest Soybean Conference, Radisson Hotel South, Bloomington, MN, August 1-4, 2002.

"Global Food Security," in Economic Perspectives, U.S. Department of State, Vol. 7, No. 2, May 2, 2002.

"Welcome Remarks," Graduation Ceremony for International Fellows, May 9, 2002, Humphrey Institute of Public Affairs, University of Minnesota, Minneapolis.

"The Emergence of a Greater China and Its Impact on World Trade: A Computable General Equilibrium Analysis," Schuh, G. Edward and Zhi Wang, Journal of Comparative Economics, 30, pp. 531-566, 2002.

"On Being Competitive in the International Economy," Presented at the 2002 IBA Agricultural Bankers Conference, Scherman Building, Iowa State Center, Iowa State University, Ames, Iowa, March 19, 2002.

"Financial Markets, Currency Markets, And The Farm Crisis," Presented at Symposium on "The Farm Crisis: How The Heck Did We Get Here?" Annual Meeting of the American Association For The Advancement Of Science, Boston, Massachusetts, February 14-19, 2002.

CURRICULUM VITAE

G. Edward Schuh

“International Monetary Arrangements: The Evolution of a Public Good,” Presented at the Dr. Harold C. Deutsch Lecture Series, the Fort Snelling History Center, November 8, 2001.

“Being Competitive,” Presented at program on The Future of Trade in Minnesota, sponsored by the League of Women Voters, Golden Valley City Hall, Golden Valley, MN, November 17, 2001.

“Should Food be Used as a Weapon?” Presented at WCCO seminar of the same title, North American Farm and Power Show, Minneapolis Convention Center, Minneapolis, November 29, 2001.

“Orville and Jane Freeman,” Presented at Dedication Ceremony for the Orville and Jane Freeman Commons in the Hubert H. Humphrey Center, the University of Minnesota, March 21, 2001.

“Globalization and Local Economic Development: The Demand for Reform of Local Governmental Institutions,” Presented at conference on The Times They Are A-Changing: Working Partnerships for Viable Communities, a joint international summit on community and rural development, Duluth, Minnesota, July 22-25, 2001.

“Reducing Currency Risks” Presented at meeting of Global Caux Round Table, sponsored by the Caux Round Table, London, UK, September 9–11, 2001.

“Reclaiming Marginal Lands and Exploiting Tropical Soils: The Cerrado in Brazil and its Future Role in International Trade,” Presented at The World Food Prize Symposium on “The Risks to the World’s Food Supply in the 21st Century,” a Conference in honor of Nobel Peace Prize Laureate Dr. Norman Borlaug, on the occasion of the 15th Anniversary of the Founding of the World Food Prize, October 18-19, 2001.

13, 14 M. Julio Barragán Arce and G. Edward Schuh, “Consumer Gains from Quality Protein Maize Research: The Cases of Ghana and Mexico,” September 4, 2001.

“Remarks on Economic Power,” Presented at Faculty Research Seminar, Humphrey Institute of Public Affairs, University of Minnesota, February 20, 2001.

“Agriculture and economic development.” [Special Issue]. The Chicago Policy Review. 3, (1), October 2000, pp. 55-65.

“Seminar on International Monetary Relationships,” presented at the Bangladesh Training Program—Food Policy Analysis: Markets, Prices, and Trade. University of Minnesota, September 21, 2000.

CURRICULUM VITAE

G. Edward Schuh

“Developing Country Interests in WTO Agricultural Policy,” presented at The Political Economy of International Trade Law, University of Minnesota Law School, September 15-16, 2000.

“Globalization: Heaven or Hell for Sub-Saharan Agriculture,” presented at Annual Retreat of Country Directors, Sasakawa Global 2000 program, Nairobi, Kenya, June 4, 2000.

“Economic Integration Among Taiwan, Hong Kong, and China: A Computable General Equilibrium Analysis,” Pacific Economic Review, Vol. 5, No.2, June 2000, pp. 229-262.

“The Household: The Neglected Link in Research and Programs for Poverty Alleviation.” Food Policy, 25, 2000, pp. 233-241.

Book review: Ascher, William, “Why Governments Waste Natural Resources: Policy Failures in Developing Countries,” Baltimore and London: Johns Hopkins University Press, 1999, pp. xi and 333, in Policy Review.

“International Monetary Issues as a Source of Agriculture's Income Problems,” presented at Conference on the Agricultural Crisis, Humphrey Center, University of Minnesota, Minneapolis, March 2, 1999.

“An Economist’s Perspective on Science and Technology Policy,” presented at Mechanical Engineering Graduate Seminar, Cowles Auditorium, Humphrey Center, University of Minnesota, February 17, 1999.

“Comments On Globalization Trends And Projections: Implications For Food Systems And Food Security,” Presented at 1998 World Food Prize Symposium on Urbanization and Food Security, Des Moines, IA. These comments refer to the paper by Lyn Brown and Alex McCalla, “Global Urbanization Trends: Implications for Food Systems and Food Security.” October 15-16, 1998.

“Managing the Future: New Institutions for a Changing Economy,” presented at Humphrey Institute event honoring the appointment as Regents Professor of International Economic Policy at the University of Minnesota, October 6, 1998.

“Global Food Security In 2030: No Problem -- Or Incredibly Difficult?” Presented at 1998 Fellows Forum, Annual Meeting of the American Agricultural Economics Association, Salt Lake City, UT, August 2-5, 1998.

“Agriculture, Agribusiness, and Policy Reform as Engines of Economic Development,” Keynote Luncheon Address presented at Workshop on Agricultural Policy Reform, Growth, and Food Security: Preparing for the 21st Century, sponsored by the U.S. Agency for International Development, Washington, DC, and Organized by the Agricultural Policy Analysis Project (APAP), Phase III, ABT Associates, June 25, 1998.

CURRICULUM VITAE

G. Edward Schuh

“How Do We Reach The Future?” Presented at meeting of the University of Minnesota Board of Regents, June 12, 1998.

“Rapporteur Report -- Group VII Lessons From The Field Visit,” presented at Micro-Financing Professional Forum, co-sponsored by Sasakawa SG 2000, the World Bank, and the French Development Agency, Cotonou, Benin, May 18-21, 1998.

“The Transformation Of Brazilian Agriculture: Implications For Research,” prepared for SEA, Embresa Brasileira de Pesquisa Agropecuario (EMBRAPA), Brasilia, D.F. Brazil, April 1998.

“Brazil: A Nation In Transition,” presented at the Carlson School of Management, University of Minnesota, Minneapolis, April 9, 1998.

“A Tribute to D. Gale Johnson,” in D. Gale Johnson on Agriculture: Volume 2, Essays on Agricultural Economics in Honor of D. Gale Johnson, edited by John M. Antle and Daniel A. Sumner, 1994.

“Agriculture and the North American Free Trade Agreement,” International Policy Review,” Vol. 4, No. 1, 1994, pp. 30-33.

“Trade and Agricultural Development in the 1980s and the Challenges for the 1990s: Latin America,” Trade and Development, by G. Edward Schuh and R. Junquito. Special edition of Agricultural Economics, edited by Michel Petit and Antonio Salazar P. Brandao, 8 (1993): pp. 265-434.

“Agricultural Policies in the USA,” in Invited Papers, 9th International Farm Management Congress, published by the Hungarian Farm Management Development Foundation (FAMA), Budapest, Hungary, July 1993.

“Some Neglected Issues,” Presented at Conference of Property Rights, Privatization, and Regulation in Latin America, University of Illinois, November 19-20, 1992. Published in The Quarterly Review of Economics and Finance, Vol. 33, Special Issue, 1993, pp. 161-163.

“Macroeconomic Policy and Agricultural Development,” in Policy Options for Agricultural Development in Sub-Saharan Africa, edited by Nathan C. Russell and Christopher R. Dowswell, CASIN/SAA/Global 2000, Proceedings of a conference, Airlie House, Virginia, August 23-25, 1992, pp. 83-88.

14

The University of Minnesota as an Engine of Economic Growth, G. Edward Schuh and task force members, Humphrey Institute of Public Affairs, April 1992.
